PALOS VERDES ESTATES, CALIF.

LMSTED BROTHERS, internationally known Landscape Architects, have utilized to excellent advantage the unique topography at Palos Verdes Estates in designing this area for suburban homes. Entrancing views are preserved as homes are built. When a section is built up, home values will continue to increase instead of depreciate. Protective Restrictions, effectively maintained by the Palos Verdes Homes Association and the Palos Verdes Art Jury, insure this to residents of Palos Verdes Estates.

I am one of a series telling the colorful story of Palos Verdes Estates.
Keep me—for you will want all of us when the story is finished.
